Remarks

The Examiner noted that applicants' reply filed on February 8, 2007 was not fully responsive to the Office Action for failure to respond to the rejection of claim 20 under 35 USC § 112, second paragraph. The oversight in not attending to this rejection is regretted.

The Examiner objected to the term "remotely located". Claim 20 has been clarified to specify that the substance detected is remotely located with respect to the location of detection of the substance. It is submitted that claim 20 can no longer be considered to be indefinite and, hence, the rejection of claim 20 under 35 USC § 112, second paragraph, should be withdrawn.

It is believed that this application is now in condition for allowance and early and favourable consideration and allowance are respectfully solicited.

Respectfully submitted,

Michael I. Stewart
